20	Junior 14-15 Ski 4 Stroke Lites – No race in Round 2	Calculated point from Round 1, 3 and 4	

Licenses

All pilots will need a valid IJSBA license to participate.

Pilots without a valid national race license, will not be allowed to participate in our competitions.

Please check the list of international IJSBA affiliates. If there is an IJSBA affiliate present in your country, you will need to buy an IJSBA license from the affiliate.

However, if your country isn't listed, you will be able to buy a license at the event.

Pre-Registration

Pre-registration is open, please follow the URL link below. From this date on, you will be able to register your race number(s) by using this registration form. Before to register your racing number in the form, please first check if your number is available in your categories after round 1 in Poland. <https://jetski-worldseries.com/2023-ResultsR1.html>

On-line pre-registration is mandatory.

You must pay 100 € deposit online to be officially register. Rest of the fee will be payable during the administrative check-in only by cash in EUROS (€) CURRENCY at the event's inscription booth. Opening hours are published here on the race notice below.

All the racers must register online following the link:

<https://www.helloasso.com/associations/o-sports/evenements/round-2-wgp-1-world-series>

You will also need a clear front facing picture of you, while wearing your racing gear. It's mandatory to send this picture to info@jetski-worldseries.com

Extra important remark! Choose your race number very carefully. As from this year, we will NOT allow any modifications to race numbers anymore after registration! It's your responsibility to provide enough decals (of the correct size and colors) to fit spare or rented ski's or runabouts.

If the race number on your ski or runabout is not on the race director's starting list, we will not be able to score you. This automatically results in a 'DNR' for the MOTO in question. Those who fail to comply, will receive a fine of EUR 100.

The age rules, as specified by the IJSBA rulebook, will be applied and therefore we will no longer accept inscriptions for junior pilots for any non-junior racing class.

Endurance: we have a limited spot for racers. Only 25 racers will be allowed to participate at the event. First register, first serve! Priority will be given to riders who have participated round 1 in Poland until the 30th of June 2023.
